Three Brothers singing Contemporary Christian Music with a rich pop acoustic rock sound and tight harmonies. 10 MP3 Songs GOSPEL: Contemporary Gospel, POP: with Live-band Production Details: The Hall bros "River of Life" CD is just one recording among many on their musical journey. Having started out in a very traditional independant Baptist church; they have come a long way in style with the release of this recording. Each of the brothers actively serve in progressive churches in the Upstate area of South Carolina. Will this be the last? - I hope not, but only time will tell. With a blend only brothers can have, you will be encouraged and inspired as you listen to this recording! The message is clear - Jesus Christ is the One that they praise! From the Chicago horn sounds on "Awesome In This Place" and "Midnight Cry" to the Pop Country sounds of the title track "River of Life" and "Living Water" this recording is packed with variety. "Wonderful, Merciful Savior" is an awesome worship song with simple, but rich harmonies. Do yourself a favor and sample each track before leaving this page! And definitely let them know what you think by writing a quick review!
