

Mp3 Theory In Motion - Are You Ready?

[DOWNLOAD HERE](#)

This CD contains songs comprised of intense and energetic rhythms and vocals, with heavy Psychedelic influence. From Breakbeat to Big Beat, and Downtempo. 10 MP3 Songs ELECTRONIC:

Breakbeat/Breaks, ELECTRONIC: Down Tempo Details: Theory in Motion (TnM) is Danny James and Dillin Quent's original musical and theatrical creation born of a passion for sound and a love of performance. They have created a captivating live act filled with driving, energetic music and compelling theatrics inspired by the rich visual entertainment of artists like Rabbit in the Moon and Moby. Danny James delivers live drumming, deft turntablism, and live singing accompanied by Dillin Quent's EQ mixing, keyboards, and backup vocals. Each controls their hardware and software creating a seamless groove to carry the audience through the stories told by the show. In total dedication to their audience, the performance is focused on massive visual and auditory stimulation and satisfaction of the crowd.
