

Reporting The War

[DOWNLOAD HERE](#)

At a time in which reporters are being censored, arrested, kidnapped and even killed, Cooke delivers a must-read exploration of freedom of the press in wartime. Cooke also analyses how the press has shaped the way the public perceives the issues and conflicts that lead to war as well as how the war plays out, from the American Revolution to Iraq. EAN/ISBN : 9780230610798 Publisher(s): Palgrave Macmillan Format: ePub/PDF Author(s): Cooke, J.
