The Dojo is a creative, fun filled family book that gives the reader an in-depth look as to what actually takes place inside of a Martial Arts Studio. As we guide you step by step, the audience would be informed that training in Martial Arts isn't just about punching, kicking, or yelling while wearing multi-colored uniforms and belts, but is to encourage children to develop balance, confidence, discipline, focus and respect! Our main objective of this book is to inform the readers that training in Martial Arts helps develop well-rounded students, not only in the programs, but in society as well.
