What kind of evil lives at the Union Screaming House? In this true and terrifying firsthand account, Steven LaChance reveals how he and his three children were driven from their Union, Missouri, home by demonic attackers. LaChance chronicles how the house's relentless supernatural predators infest those around them. He consults paranormal investigators, psychics, and priests, but the demonic attacks—screams, growls, putrid odors, invisible shoves, bites, and other physical violations—only grow worse. The entities clearly demonstrate their wrath and power: killing family pets, sexually assaulting individuals, even causing two people to be institutionalized. The demons' next target is the current homeowner, Helen. When the entities take possession and urge Helen toward murder and madness, LaChance must engage in a hair-raising battle for her soul.
