About Grief is a refreshingly down-to-earth book about an issue that blindsides many people. Written in a warm and conversational way that is, at times, deeply moving, at times, surprisingly amusing, and always practical, it covers a wide range of issues facing people in grief. Originally developed as a wildly popular class, Marasco and Shuff have done the footwork for readers who wish to know more about this complex subject. Using a variety of sources, including books, films, music and many hours spent walking and talking with people in grief, the authors distill their candid insights into a series of short, single-topic-essays that can be easily digested in one sitting-a format they found grieving people preferred. This is not a book written by clinicians, so there's no cold jargon. Author: Marasco, Ron Author: Shuff, Brian Publisher: Ivan R.
