

# Faithful Generations: Effective Ministry Across Generational Lines - John R. Mabry

[DOWNLOAD HERE](#)

Faithful Generations provides a hopeful and helpful guide to the different adult generations alive today, discussing the events that formed them and the issues important to them. Most importantly, it describes their spiritual distinctions-the particular needs, gifts and concerns that drive these different generations. With a basic understanding of how other generations think and what drives them spiritually, ministers and congregations can not only avoid conflict, but also put those distinctions to work in order to minister more effectively and create harmony in our religious communities.
