

Family Finance Planner & Credit Guide

[DOWNLOAD HERE](#)

Most of us have trouble keeping track of our finances and making financial plans and decisions. Family Finance Planner is a brand new, quick and easy software tool which can help you to manage your finances. It will help you to track where your money is going, help you to make important financial decisions and work out how to save up for things you really want. Here's just some of the features of this amazing brand new software... Comprehensive monthly home budget tracker allowing you to keep track of all your expenditure each month with a built-in feature to track how much over and under budget each

item is, as well as automatically calculating all the totals for you. Income/expenditure tracker to keep detailed records of your income and expenditure Yearly budget tracker allowing comprehensive data to be tracked over the period of a year, with automatic calculation of all totals. Investment projection calculator to calculate how long you will need to save up before you can buy something you want, like a car, a holiday or a deposit for a house. Car loan calculator to help you calculate whether you can really afford that new car you've always wanted. Car Leasing/Purchase calculator to automatically calculate whether you would be better off buying or leasing a new car. With all these powerful financial facilities at your disposal, you'll soon be able to keep your bank account balanced, your bank manager off your back and work out how to afford things you really want! Your Free Bonus - Our Special Credit Guide! Most of us rely on credit at some point in our lives to pay for a house, a car or a holiday and many of us use credit regularly in the form of a credit card. Very few of us however really understand the ins and outs of the complex issues associated with credit. With more and more people being affected with credit rating and credit card problems, credit has become a serious concern for many. Now help is at hand with our special credit guide, supplied free with your copy of Family Finance Planner. This special resource is packed with useful information to help you with all aspects of credit. Here's just some of the topics covered in this comprehensive 30 page guide... Making Sense Of Your Credit Report Tips To Build Your Credit Today Debt Negotiation Building Business Credit How Divorce Can Affect Your Credit Rating Avoiding Getting Scammed When Repairing Your Credit Three Critical Steps To Your First Home Mortgage Preventative Measures For Credit Card Fraud The Differences Between Secured And Unsecured Debt How Credit Counseling Can Help You ... and much more!
