Americana, Contemporary Folk 13 MP3 Songs FOLK: like Joni, COUNTRY: Country Folk Details: This is Bernice's sixth CD, recorded in Nashville and produced by Grammy Award winner Charlie Chadwick. It features thirteen new originals, a duet with Cliff Eberhardt, and a unique bass and vocal cover of Joni Mitchell's "A Case of You." "Bernice is a soulful songwriter, with a voice full of light and hope. That combination makes for a powerful artist, and a beautiful record. She is really one of the keepers of the flame of Real Songwriting." Rosanne Cash Bernice's life is filled with beautiful, deep things, and she writes beautifully and deeply about them. "Good Kind of Love to Be In" is wonderful; spoke right to my heart! Great, jazzy cover of "A Case of You." Musically and vocally, she has new wings with the genres she's been exploring, Dar Williams
