

Mp3 Bert Wills - Special Session

[DOWNLOAD HERE](#)

Special Session is "one of his best performances ever." Bert crosses all forms of blues on this album. 13 MP3 Songs BLUES: Acoustic Blues, BLUES: Chicago Style Details: "Special Session is "one of his best performances ever! Bert crosses all forms of blues on this album from traditional to contemporary. Bert has become an extraordinary entertainer with his special styles of the swing blues." The Music News. "Texas once again proves with Bert Wills that the Lone Star State has more top notch guitar-slingers than anywhere else in the world. Special Session is modern Texas blues at its very best!" Real Blues Magazine Everyone associated with the Texas music scene knows Bert Wills as truly a Texas Blues-Rock legend. Known for his wide variety of music styles, Bert is an all 'round' musician, writing and singing great blues as you will find on his first two recordings Mr. Politician and Special Session and once again on his fourth release Tell Me Why. His third release Pavones Sunset steps away from traditional blues and enters the surf music genre. This cd release is licensed to legendary surfer/filmmaker, Herbie Fletcher for use in Fletcher's surfing film, Stylemasters. Bert's music earned Grammy nominations in 1995 and 1996.
