The must for all walks of life...thugged out, booty shaking, thought provoking, and last but not least RESPECT for the often forgotten "true" ladies. 6 MP3 Songs HIP HOP/RAP: East Coast, HIP HOP/RAP: Hardcore Rap Details: Black Rook Tha Genereal is an lyrical azzazzion -tick- from south jersey who has finally resurfaced from deep within the confines of the dungeon. After many years of regrouping my thoughts and building my own -Tick- industry, I am here to drop the first official single release from my solo album that has been -Tick- in the making since creation. My home is south jersey, my style is south jersey, my goals -TICK- are for south jersey so it's only natural that south jersey is the -TICK- undaground I choose to explode from.....Oh that noise you hear means it's too late to escape my mic. BOOOM!!!!
