

Mp3 Drums And Tuba - Live

[DOWNLOAD HERE](#)

The much anticipated live lp from DT. Tracks taken from various live shows between 2002 and 2004. Instrumental spacerock with cutting grooves. 8 MP3 Songs ROCK: Instrumental Rock, ELECTRONIC: Trip Hop Details: This is a great collection of Drums and Tuba material that spans a couple years of thier existence on the road. Between the years of 2002-2004, DT clocked in close to 200 shows a year and this recording does the job of capturing thier live show. Which up until now has been unavailable officially. A couple tracks are previously unreleased and stand up well to thier other material. A absolute must have for the DT fan!!
