Danish synthpop duo, Fake The Envy, plays melodic pop using synthesizers and samplers as their main tool. Their songs are based on good, solid and catchy tunes, spiced up with strong vocals with melancholic lyrics. 11 MP3 Songs in this album (56:54) ! Related styles: ELECTRONIC: Synthpop, ELECTRONIC: Electro People who are interested in Depeche Mode Erasure Iris should consider this download. Details: Having existed since 2001, Fake The Envy released their debut album, "As They Fall" in early 2006. Often compared to synth greats of the new generation, such as Mesh, Iris and De/Vision, Fake The Envy strive to play a brand of "edgy" synthpop. Putting most of their efforts into songwriting, Fake The Envy base their sound on traditionally catchy yet haunting melodies with strong vocals. Add to that, a bit of grit in the sounds and production, along with a spread of melancholic lyrics, and you have ... Fake The Envy.
