

Mp3 Gavin Stephens - Rock Chocolate

[DOWNLOAD HERE](#)

14 Funky Chilled 70's influenced grooves. Inspired by Blaxploitation soundtracks of the day by Issac Hayes, Curtis Mayfield, James Brown etc. U know it. 14 MP3 Songs URBAN/R&B: Funk, ELECTRONIC: Funk Details: These 14 Funky Grooves cover a span of a number of years and were always an escapism from songwriting for Gavin. Growing up, playing horn in a Soul/Funk band surrounded by amazing musicians and learning the ropes was as awe inspiring as being introduced to early funk on deleted vinyl and tape by the more mature members of the band!!!!, and new friends along the way. This is the result. Gavin's other solo instrumental album here on cdbaby and on itunes download is "Oriental Elements". Gavin is also involved in 3 other albums also here on cdbaby which he has Co-Written Performed with Harry Knight. He has Arranged Produced all the material which is available on itunes downloads: "Swings Roundabouts" by Roarin' Greedients (2005) (aka Knight Stephens) "The Sutton Lane Suite" by Knight Stephens (2006) "Songs For Other Singers" by Knight Stephens (2006) Another instrumental offering can be heard with the Poetry of Fred, incorporated on his CD "I Can't Believe I'm Not Buddha". This 29 track album uses original Instrumentals as a backdrop for Fred's Poetry. You can hear samples and request a copy through myspace.com/limbopoet or request a copy through oceanoftunes@btinternetif if you're not a member of myspace. A compilation of vocal pop songs will follow later this year as a 3rd solo project. Check out: oceanoftunesfor related and future material. Ta!
