PULL OVER TO THE SIDE OF THE ROAD AND TURN IT UP. 12 MP3 Songs COUNTRY: Country Rock, ROCK: Americana Details: UPDATE - July,2005 New article about GENE LAFOND - his background,influences and his music can be found at: allintune.com/item/28 CHECK IT OUT! "GENO" - New CD release by GENE LAFOND on WRITEOFF RECORDS "Twin Cities singer/songwriter GENE LAFOND ... is a versatile journeyman who writes honest, compassionate and appealing songs that can be refreshingly offbeat (the country-folk fantasy 'Thank You Emmylou') or even positively Dylanesque (the 9/11 blues shuffle 'It's Gonna Rain')." JON BREAM - Mpls Star Tribune 10/24/02 The new release is called "GENO." Twelve new, original songs that will make you want to pull over the side of the road and turn it up! Gene LaFond is a founding member of the band "THE MERE MORTALS" who, along with the late LARRY KEGAN, were invited to perform TWICE at NEIL YOUNG'S BRIDGE BENEFIT CONCERT in San Francisco, opened for BOB DYLAN, RAMBLIN' JACK ELLIOTT, KINKY FRIEDMAN and performed numerous SOLD OUT concerts in the midwest over the years. "GENO" was produced by the legendary MINNESOTA MUSIC HALL OF FAME WILLIE MURPHY of "RUNNIN, JUMPIN, STANDIN STILL" fame. WILLIE MURPHY produced BONNIE RAITT'S breakthrough first album, all of SPIDER JOHN KOERNER'S albums as well as numerous WILLIE MURPHY hit albums. The musicians on this CD are Minnesota's finest. Also, check out GENE LAFOND's first CD "THE WILD UNKNOWN". It was also produced by WILLIE MURPHY with a host of the best musicians in the midwest. Now available from CDBABY.COM or from his website at genelafond.com. Thanks for supporting independent artists. PLAY IT LOUD! NEVER GIVE UP!
