Sexy R&B with sensual intellectual " Grown Up " lyrics 8 MP3 Songs URBAN/R&B: Rhythm Blues, HIP HOP/RAP: Hip Hop Details: Natural vocal ability, Intelligence, Sensuality, Passion you "hear" and "feel" with his "Grown and Sexy" lyrics and vocal delivery unstoppable Hunger to get his message to the masses.....The rare combination of these characteristics in one man, has the entire staff of EFP Productions/ (Escape From the Plantation Productions) especially proud to present the R&B artist "KC The Dangerous One" with his first solo project " Vocal Visions" to the music world. For the past (7) years KC has been the lead vocalist, song wrtiter and driving force behind the R&B duo " Ultimate Pleazure " along with Super Producer "Vernon T-Luv". The group enjoyed regional success with the hits " Take Me as I Am", "Still In Love" and "NaNa Bandit" but catapulted into the national spotlight with the Kool and the Gang influenced "Kitty Kitty" which were all penned by KC under the banner of "PleaZureHouse Entertainment". With T-Luv producing smashing tracks and KC doing his thing with lyrics, vocal arrangements and vocal performances they soon came to the attention of Reggie Lewis, promoter and President of Sounds Unlimited Entertainment. The 2 entities quickly came to an agreement and within weeks Ultimate Pleazure was on the road as the opening act for Frankie Beverly and Maze and ultimately opening for Busta Rhymes, Gerald Levert, Brian McKnight, Patti LaBelle, Bernie Mac, Joe, Missy Elliot, Timbaland, The Whispers, Genuwine and the O'Jays. A feat that was unimaginable for an unsigned and basically at that time, unheralded R&B group from Norfolk/Virginia Beach VA. The experiences changed his life and prepared him in a number of ways for this, his next step!! As the duo amiably decided to go in different music directions, KC felt there was still unfinished business as a singer/songwriter/performer...at that point.....enter "FunkDaDevil " Producer Extraordinaire..... Funk's eclectic arrangement of sounds/tracks and music arrangements excited KC and seemed to be the missing piece of the puzzle in

forming an alliance that will definitely withstand the test of time..... theirs, along with tracks from Vernon T-Luv and T-Lee are the offering now known as "Vocal Visions".....the staffs of EFP and FunkDaDevil Productions invite you to clear your calendar for a moment, put a video in for the kids, place your cell phone on vibrate and stuff it under a sofa cushion so that you wont be disturbed while you take a musical ride you wont soon forget with the following tracks: Enjoy !!! # 1 Song for My People # 2 NoBody # 3 That Man Is Me # 4 Are U Feelin Me?? # 5 Dreamin--Intro # 6 Dreamin Accapela # 7 Finally # 8 Song For My People---Refunked
