Underground idm experimental production 8 MP3 Songs ELECTRONIC: Experimental, ELECTRONIC: Soundscapes Details: 2 years in the making, this is not the usual Kevin Lux sound. This is a secret underground project, which contains innovative long tracks, that are ever evolving for the mind. For dark rooms, loud volumes and altered minds. This project was constructed from a mixture of genuine analog and digital hardware, mixed with current quality virtual technologies. With much attention to detail and evolving, yet fitting mutation, I am on the Blink is unlike any Kevin Lux album released to date!
