street game with playa tactics 17 MP3 Songs HIP HOP/RAP: Southern Style Details: This is KeyPlaya's debut album " Trapped in the Game " out of Mobile, Al. He was on the May cover of the 411, a regional magazine in the southeast devoted to hip-hop. KeyPlaya has toured with The Last Mr. Bigg, and opened up for many mainstream artist. Although still underground KeyPlaya has made a name for himself throughtout the southeast by moving alot of units on the underground scene. This artist is definetly some of the finer talent to come out of the Alabama rap scene, and I have a feeling in the future we will hear alot more from him.
