

# Mp3 Norman Foote - One Thousand Pennies

[DOWNLOAD HERE](#)

Winner of a (NAPPA) National Children's Publications Gold Award, West Coast Music Award 13 MP3 Songs KIDS/FAMILY: Children's Pop, KIDS/FAMILY: General Children's Music Details: Born Norman Mervyn Barrington-Foote, this songwriter claims that his name forced him to develop a sense of humour at an early age. Drawing from his own experiences, Norman creates songs and stories that delight the ears and eyes. He weaves imaginative word play and gentle wit with great melodies and clever production. Norman has had the undeniable pleasure of performing with symphonies, festivals and in concert halls throughout North America and has written and recorded songs for Disney Records, Shari Lewis, CBC syndicated TV show "Scoop Doozie" to name a few. Now a father of five, he has created a very special niche with his irreverent comedy and skillful music. He has created his own style in the world of entertainment and continues to leave footprints wherever he travels. [normanfoote.com](http://normanfoote.com)
