noisy guitar driven rock and roll with pop laden hooks that send you back to the noisy guitar driven rock and roll. 10 MP3 Songs ROCK: Modern Rock, POP: Power Pop Details: Indianapolis band Phyllis' debut is well worth the wait. After years of contributing to other bands such as June Panic, Tommy Flake, The Lovemeknots and the Aurelians, the members of Phyllis finally took time to record their own record. Traces of "Guided By Voices" "Weezer" and "Superdrag" all end up coming through on several of the songs while maintaining its own sound and feel. Check out the opening track, "Making you Wait" or "Pure and Simple" as well as the rocking "No Alternative".
