IT'S ROCK, IT'S WIERD BLUES,HONKY TONK COUNTRY,IT'S SPOKEN WORD WITH A PUNK VIBE. 12 MP3 Songs ROCK: 70's Rock, BLUES: Texas Style Details: what's up y'all this is alex mitchell, ex singer from circus of power. i was sitting in my room listening to the damned and watching the sun burn off the early morning fog when i decided to get off my ass and put out this c.d.it was either that or go outside and pick up the wolfmake from my frontyard and hell, i could do that tomorrow.i'd always wanted to play with charlie pickett,underground hillbilly/rock legend from florida,so i called him up after twenty years of no contact and said 'hey charlie,what the fuck,i'll be down there in six weeks and we'll record some music.the usual suspects all showed up that night and we plugged in.the vibe was there. i needed more songs, so i wrote some with gary sunshine (ex circus) and headed for austin,texas.i found marc frappier (also ex-circus) at casino's bar and grill and we mapped out a plan.the plan was to get drunk and make some nasty, distorted rockin texas blues music. we were successful. it's been twelve years since i released anything,the last being with circus of power.so i feel good to get this make out,and am writing more songs. "they train young men to drop fire on people but they won't allow them to write 'fuck' on the side of their airplanes. they say it's too obscene."-colonel kurtz, 'apocalypse now'. i hope you dig my music- alex mitchell -the cast of characters- alex mitchell-singer charlie pickett-guitar,singer skip sorrentino-guitar walt salas-drummer marc frappier-bassist johnny salton-guitar chris roy-bassist bobby from honky-guitar eric-drummer mike badass blue-guitar dave camp-bass billy tsunis-guitar fred met-bass marc fain-guitar rocky-piano karen martin-piano johnny love-drums gary sunshine-guitar rick mahler-guitar p.s. thanx bob. p.s.s. excuse the cheeseball artwork, i spent the money on the studio and i ain't rich...
