Mountain-style harmonies with lively acoustic backup. 12 MP3 Songs FOLK: Appalachian Folk, BLUES: Folk-Blues Details: Shadow Mountain Band is: Bobby Furgo- fiddle; Billy Rhea Bell- fiddle; Damian (Dooley) Lester- vocals/upright bass; Darlene Lester- vocals; Gar Robertson- vocals/mandolin/dobro; Johnny Ray Martin- vocals/autoharp; Steve (Easy) Lester- vocals/guitar/banjo. The band began several years ago as a hillbilly music jam session in the garden behind Pappy and Harriets Place, an historic roadhouse in Pioneertown, CA. Crowds began to gather around to hear the mountain-style harmonies and old-time tunes. The management of Pappy and Harriets began coming out to listen and soon asked the jammers to come in and play inside for the restaurant crowd. Within a few months, they were joined by Banning, CA fiddler Billy Rhea Bell, and Pioneertown resident Johnny Ray Martin on the mountain-style autoharp (an instrument you seldom hear outside of Appalachia), and premier fiddler Bobby Furgo from Yucca Valley. The group was rounded out when Steve and Darlenes son, Damian Lester, known around the farm as 'Dooley', joined the band on acoustic bass, and brilliant, soft-spoken Gar Robertson added his talents on mandolin, dobro, and vocals. Shadow Mountain also often features guests, including smokin' mandolinist Mark Ross from 29 Palms, and other friends and musical family members comin' through town. Special Guest appearances by: Mark Ross- mandolin; Bob Garcia- vocals/guitar; John Bertini- mandolin/vocals; Joel Selzer- harmonica; TK Smith- reso guitar; Roger Wanderscheid- drums.
