A mystical offering of warming New Age moods contemporary songs. 6 MP3 Songs in this album (52:47)
! Related styles: NEW AGE: New Age, NEW AGE: Progressive Alternative People who are interested in Kitaro should consider this download. Details: An interesting mix of calming new age Kitaro - ish instrumentals with more contemporary type songs which although could be placed in a modern rock genre - there message is the same, not just some vague imaginings of a utopian ideal - the grass IS greener over there - but only when you are traversing those more verdant hills and valleys can you truly take in the breathtaking beauty that is suddenly revealed to us, like a silver river its many tributaries merging into the one, we can flow in that single timeless moment that is forever! It is my earnest wish that this humble offering of songs and music might help you to glimpse those more sublime realms, I know it did for me.
