Unique jazz compositions, some "street smart", some beautiful, all with an attitude. CD features guitar, sax, bass and drums. It is an exploration in time signatures and alternative harmonic structures with a deep intent to groove. 11 MP3 Songs JAZZ: Bebop, JAZZ: Acid Jazz Details: Stream, led by guitarist Stephen O'Connor, is a San Diego based jazz quartet. Originally founded in the early 80's the group has always been dedicated to "musical explorations"- time signatures, unique harmonic and melodic treatments, and lots of concentrated energy. Stream has been comprised of many So. Cal notable artists such as the great pianist Butch Lacy, now living in Denmark, Bob Magnusson, bassist on many recordings-including Rod Stewart, Art Pepper Quartet, the Benny Golson Quartet and the Joe Farrell Quartet- Jim Plank, Joe Marillo, etc., and the current group comprised of Steve, Jeff Rew, John Rekevics and Ron Ogden. Stream is dedicated to playing music you'll never hear anywhere else. We love it and hope you will too.
