

## Mp3 The Dent - Farewell

[DOWNLOAD HERE](#)

Flowing, yet punchy instrumental textures and arrangements teamed up with melodic but intricate rock songs - Art Pop at its best. 11 MP3 Songs POP: Power Pop, ROCK: Modern Rock Details: The Dent follows up their 2002 release "Neurotica" with the more artsy but equally hooky "Farewell". This is a full length album of 2003 not to be missed.
