

# Mp3 World Class Thugs - Ameripiranha

[DOWNLOAD HERE](#)

World Class Thugs is a band that incorporates many different styles with an americana backdrop. We run the gamut from jugbeat folk, carousel music, and roots-rock, to post-punk melodies and low desert tales of sorrow. 9 MP3 Songs POP: Quirky, ROCK: Roots Rock Details: World Class Thugs is a Phoenix, Arizona based band that thoroughly enjoys making music. Besides guitars, drums, bass, and vocals, instruments in one show may include: tung drum, washboard, accordion, flute, bongos, keyboards, mandolin, banjo, trombone, harmonica, kazoo, and broom. Song topics include anything from rats and their rapid eye movement, unjustly imprisoned aunties, viscous and vicious substances, nervous breakdowns and caffeine abuse. Gritty, manic funk and sinuous, meditative atmospheres slide effortlessly into each other, always with a bottled-up emotional intensity just this side of an explosion: a feel-good emotional carnage the whole family can brood along to.
