Soulful and powerful vocals, sultry speaking voice that tickles the ear and music with a touch of jazz makes for an amazing combination, bringing a fresh twist to this spoken word project. It inspires, challenges and takes the listener on a ride. 7 MP3 Songs SPOKEN WORD: With Music, SPOKEN WORD: Poetry Details: Lady Y's debut project, Love Is, features poems with and without music and vocals dealing with LOVE. Love Is, the title track speaks about Agape, "unconditional" love. Her powerful way of expressing herself through words and her use of metaphors, have a way of taking the listener on a journey. Just listen to "We Dance", a great example of a rollercoaster ride. The combination of her strong, soulful vocals and sultry, melodic voice makes for an exciting ride and a fresh twist to spoken word. You can feel the emotion as she speaks and articulates so clearly. Her voice reaches out and grabs the listener, gets your attention and leaves you wanting more. Her wish is that you listen past the music and beyond the words and allow yourself the freedom to feel whatever is true to you without fear. Another unique feature of this fresh project is that, it is an enhanced cd, including a bonus video for track #3 "That Man". You can pop this cd into your computer or dvd player and view the video. This album has been described as "phenomenal, different, fun and serene". If you enjoy jazz, neo-soul and inspirational music, this album is for you. Here's an opportunity to share in some of her experiences. So go ahead and take the journey with Lady Y. Yvette White(Lady Y), vocalist, poet and established personal trainer. Through her many triumphs and trials, Yvette's developed an extraordinary way of touching the soul of many through her God given gift of singing and writing. Looking for a way to infiltrate the heart and mind of people, Yvette, found it through the spoken word from her heart and songs with to the point lyrics. Her desire is for all to receive revelation, comfort, joy and healing through her poetry, as she did during the creation of each of them. Yvette's poetry comes straight from her heart and life experiences. The honesty

and vulnerability that individuals can feel causes them to open up and be drawn into the message of her work, allowing their heart to be ministered to and healing to take place. Her powerful and soulful voice and style have been compared to the likes of, from the new generation, Erykah Badu, Michelle NdegeOcello and Indie.Arie and from the older generation, Minnie Ripperton and Stephanie Mills. People are always amazed that such a large voice comes out of such a small body.
