

Mp3 Alan Dee - Dumpville

[DOWNLOAD HERE](#)

Quirky folk rock from Ireland. Oldschool arrangements will suit people with longer memories of how music used to sound. 12 MP3 Songs FOLK: Folk Pop, FOLK: Modern Folk Details: Alan laments the vacuous over-compressed production of modern music and is adamant to keep old school production values alive. If you enjoy the classic artists such as Creedence Clearwater, Fleetwood Mac and Paul Simon, you should take to this CD with gusto.
