

Mp3 Becca McMahan - Flowers At My Feet

[DOWNLOAD HERE](#)

A refreshing blend of folk, rock and blues bound together with a dash of soul. 9 MP3 Songs FOLK: Folk Pop, ROCK: Americana Details: Becca McMahan, born Rebecca Jayne McMahan 21 years ago in Alaska, has everything it takes to get to the top of the music business. A combination of small-town life, broad musical exposure, and intense musical ability has made her a unique addition to the music scene. Her musical career started at age 5 and hasn't taken a break since. Becca's distinctive style combines elements of deep blues and catchy folk-rock with her mind-blowing Fiona Apple meets Alicia Keys voice that's big enough to knock you over if you're lucky enough to hear it. Whether it's on the guitar or on the keys, Becca's alluring musical talent will captivate audiences of all kinds. Something in her voice, or in her looks, or in the air I don't know why people are so affected by her music. But I've watched it happen many times. She does big name cover songs better than some of the big names did them. She writes songs that stop you in your tracks when you hear them..."
