

MP3 Ben & Eleanor - Slave To Time

[DOWNLOAD HERE](#)

Intricately crafted pop music for people who like to listen to catchy tunes that make them go, "hmmmmm."

21 MP3 Songs POP: Pop/Rock, ROCK: College Rock Details: A long time ago, in a mystical land long forgotten known as Wallaba, lived a tiny people that called themselves the Wallaboo. The tiny princess of the Wallaboo had three arms. She was a glutton for gourmet escargo, but - pending its availability - would happily scarf down elmer's glue instead. Every afternoon (just after tea time) she would frolick through the enchanted forest of Truth and Beauty singing merrily as she went: "Fra la dee! Fra la doo! I'm a happy Wallaboo! Nothing, save the Zablanition, Could spoil my disposition." The Zablanition, you see, were the evil tree-dwellers that lurked in the enchanted forest. There's nothing they hated more than tiny three-armed princesses who sang gleefully. And the most important thing to note about the Zablanition was.... ... ah, fuck it. Just buy my CD. People who are interested in Elliott Smith The Flaming Lips Ben Folds should consider this download.
