Details: Charlie Jones, have been very busy behind the music scene for over 30 years. A few of his musical accomplishments is writing a big hit for the late great soul and blues superstar Johnnie Taylor, entitled Crazy Over You. Many of his songs have also appeared on CD's by Theodis Ealey, Chick wills and many others. Additionally, several of the songs he wrote and performed throughout the late 60's and early 70's can now be found in the Smithsonia Institute, in Washington, DC. Charlie'e music have been selling Globally for over 25 years. He has also produced more than 20 full cd's throughout his career. Charlie's Music has taken him to several major cities for short stays, among them were San France, Los Angeles, New York, Washington, etc. From the early 90's to 2005 Charlie has shared the same stage with Clarence Carter, Little Milton Campbell, Lenny Williams, Roy C., Sarah Dash (formerly of the popular female group Labelle), Denise La Salle, Lynn White, Willie Clayton, comedians Rudy Ray Moore and wildman Steve. The Ultimate Charlie Jones CD he feels is his best piece of work thus far. We at Ambush Records believe that if you like real southern soul and blues, strong love songs, strong beats and hooks, a CD with no filler songs(songs put together poorly to complete a CD),you will love this new CD by Charlie Jones.
