

Mp3 Craig Urquhart - Secret Spaces

[DOWNLOAD HERE](#)

Acoustic solo piano music 11 MP3 Songs NEW AGE: New Age, CLASSICAL: New Age Details: Each album of composer/pianist Craig Urquhart (pronounced "irk-hart ") is a continuing renewal of faith in beauty and the healing power of music. After his most recent acclaimed recording of his songs, Urquhart returns to the solo piano on his newest album SECRET SPACES. As a believer in the healing power of music and nature, this album expands this belief to the more personal emotional level. Each of the compositions reflects an aspect of these beliefs. The title cut Secret Spaces sets the stage for this reflective and contemplative album. The titles Contemplation and Meditation reflect the inner journeys of the heart. Reunion, Romance, Embrace and Forgiveness are all examples of acts of Love between people and also an individual's soul. Cathedral Pines , Along the Seine and Venetian Snowfall call to mind the healing and contemplative power nature wields in our lives. The final cut Virginia Mountain Morning was written at the Virginia Center For The Creative Arts and celebrates the creative power of being surrounded by a nurturing environment. This album was produced by Craig Urquhart, Scott Petito and Alexander Ostrovsky. Alexander Ostrovsky also lovingly prepared the piano for this recording.
