The childlike nature brings an ambience of joy and contentment to any environment. 14 MP3 Songs NEW AGE: Relaxation, NEW AGE: Ambient Details: Most people are unaware of how powerful music really is. Programming the right kind of music in your life can make a dramatic difference. It works especially well with the law of attraction. Music is the oldest medicine known to man and still is one of the most effective because it can manipulate our thoughts and our emotions. I have helped people lose weight, play better golf, ignite their passions, be more productive and transform into a more positive attitude right before my eyes. I guarantee I can help you improve just about anything in your life with the power of music. I do keynotes and workshops that are fun and inspirational. Click here for more information." Cynthia
