All original Brazilian, World Jazz Fusion. 12 MP3 Songs WORLD: World Fusion, JAZZ: Latin Jazz Details: Dado S brings a melodic soulful combination of sounds into his solo, ensemble performances and recordings. Covering an original repertoire that navigates through Brazilian Jazz, Latin Jazz and World Music... songs are interpreted and sang in several languages applying elements of his own style into a vast musical vocabulary... Dado S performs musical shows as well as Multicultural workshops that present together a combination of music performance and Cultural references of the Latin, Brazilian and Portuguese roots of music. In a Roda de Groove, Dado Sa' records an all original compilation of songs from the past 4 years..."Fusion" is definitely the word to describe all the influences that come together in this album...His main aim is to always be melodic either through fast or slower beats...Bossa Nova mixes with Jazz and Pop and combine for the musical fabric to which poetic lyrics are laid on... Dado Sa' uses words that combine references to Brazilian and Global Culture with a "soulful" underlying theme. "His approach has always been to perform and compose music from the heart and the soul; to add with melody and singing, faith, hope and joy to life..."
