A super-hero's vulnerability and its connections to reality, detachment from self via mass media, diving into shooting starfields, and hair-flip-curl-red-lipstick...what does he pay you for murdering me? 5 MP3 Songs ROCK: Emo, ROCK: Punk Details: Recorded live in 2004 at Matchbox Studios in Austin Texas, The Malaise of Modern Living paints a picture of lust, greed, exposed maladroitness, poor assimilation into society, and media addiction. It drafts isolation with impending fears and hearkens deep psychological undertones. All this without losing its function...quirky, yet comfortable. What have you lost recently? Hamper your desires; expose and alleviate all frustration with this excellent EP.
