This is a praise-worship album designed to bless the Lord and all who listen. 12 MP3 Songs GOSPEL: Contemporary Gospel, URBAN/R&B: R&B Rap mix Details: Jacob was born the youngest out of nine children. They lived in a three bedroom house in Tacoma, WA, hilltop area. He learned to play the piano at a very young age and played and sang in the church choir until he was fourteen. There was an anointing on his life and Satan knew he had limited time to form his weapons against him. He hit him with every thing he could to kill him. He fell heavy into drugs, gang violence and eventually the penitentiary. He served time and almost lost his mind and close friends to gang activity. In and out of jail, folks around him thought he would fail and meet his fate for distruction. He admits, he did too until one precious day he cried a thousand tears because he was tired and wanted to die. With nothing to lose he got on his knees and asked God to save him from his wicked life. God did just that and he was saved by His grace. He didnt discriminate against his past or his race. He accepted Jacob for who he was and Jacob wants the world to know, being here to share this testimony is nothing less than a miracle.
