Howlin' At the Moon Songs Details: "I'm a Florida native out of the Gainesville area, and I believe I was designed by music! My Style of music is hard to give a specific Genre to, but my Spanish roots come to the surface in my rhythms, and melodies to some extent. I've always loved all styles of music, and I guess my motivation comes from loving how, through music, we can make the world warmer and smaller, not so vast! I think you could say I'm Jazz/Rock/Country/Jazz-Pop/Blues/Soul/R&B. js"
