An imagery-filled circus of minor-keyed acoustic attitude. 9 MP3 Songs in this album (43:19) ! Related styles: FOLK: Power-folk, ROCK: Acoustic People who are interested in Tom Waits Wilco M. Ward should consider this download. Details: Jay Pollock's music is rooted by his percussive acoustic guitar style and haunting baritone voice. His lyrical aspect is a gloomy, yet sarcastic spin on some life experiences we could probably all relate to if it wasn't for the twisted imagery which has infested throughout his musical creations. The overall sound is cooked up with three teaspoons of darkness, two cups of irony, and a dash or two of eastern spices added to the melody. His solo debut album, Creepy Dinner Music, has simmered quite nicely and has comforted him like a nice steaming bowl of stew during the gradual loss of his mind in the past while. Buy his album and a good pair of headphones to join the ride.
