

Mp3 Jeff Falconer - Vic Perp: New Age Private Eye

[DOWNLOAD HERE](#)

On Vic Perp: New Age Private Eye, troubled singer-songwriter Jeff Falconer explores his fascination with the uniquely human phenomenon of belief, from a tangential, not especially reverent perspective. 12 MP3 Songs in this album (56:36) ! Related styles: FOLK: Alternative Folk, SPOKEN WORD: Satire Details: Jeff Falconer calls his approach "Loving Satire", because he himself has been, or is, guilty of all the human quirks and foibles he lampoons. Jeff has been a performing musician for most of his life. He played professionally for a number of years, and has the scars to prove it. As Jeff embraced adulthood, he came to see songwriting as his precious personal adventure in creativity, and the Music Business as an alluring but freaky realm better left alone. Jeff settled into a comfortable regimen of family and small-town life, writing songs in his head while he acted normal. Now, however, the world situation has become so dire Jeff feels he must intervene: Streets of Pain! Wailing and Gnashing of Teeth! And the quiet, yet loud voices of the multitude; "What is the answer!?! " "Who will save us?!?" "Does God even speak English??!1??" Plus, Jeff is tired of working like a dog and acting like he's not writing songs in his head....
