Like new shoelaces on your favorite pair of old sneakers, KAL's music is old school and new school. 9 MP3 Songs POP: Today's Top 40, ROCK: Folk Rock Details: Recording-artist KAL, born and raised in New York, combines arresting melodies, catchy guitar riffs, and a distinct voice to make the sound that is undeniably KAL. Recently KAL recorded the album Basement Love Experience with world renowned guitarists Van Manakas and Dave Fabris. The album is like putting new shoelaces on a favorite pair of old sneakers. It's old school and today school: You'll hear echoes of Jimi Hendrix, Van Morrison, The Police and others as KAL unfolds and explores his trademark sound. The lyrics are political, sexual and cinematic in nature - like posters in a teenage bedroom. Every music lover should have this album in their library... or at least on their iPod!
