

Mp3 Kattisblack - Beyond The Moon

[DOWNLOAD HERE](#)

A collection of mind bending sounds placed in the mist of thick and crisp drum tracks. 9 MP3 Songs
ELECTRONIC: Ambient, NEW AGE: New Age Details: KattisBlack known to others as Kenneth Feagins has a history in music that helped define his style. Hip hop, and R&b flava runs through his veins and is heard in his music. KattisBlack is the result of a appreciation of ambient and new age music. While still producing Hip hop tracks for up and coming artist he turned his attention to creating a his own style of electronic music. New and different sounds has always attracted kattisblack, and in his album Beyond The Moon he takes your mind to his place to reside.
