

Mp3 Kevin Roth (The Sunflower Collection) - Folk: Folk Pop

[DOWNLOAD HERE](#)

One of the leading innovative dulcimer players, incorporating world music with folk and pop; a great voice, piano and dulcimer plus other instrumentals. 16 MP3 Songs FOLK: Folk Pop, FOLK: Modern Folk Details: Over the years, people have asked "What CD is that song on"?. So we decided it was time for a "Best Of" collection. Whether it's from a concert, or one of Kevin's recordings, this CD represents a wonderful cross- section of material from one of America's finest dulcimer player/singer-songwriters around. Check out "Rain Walker", "Dry Bones" and "No Forwarding Address". Kevin Roth is one of the world's leading innovative mountain dulcimer players, singer-songwriters. He has over 32 CD's for both adults and children. Along with the dulcimer, he plays the "Soul Zither", Piano, and harp. Check out his web site which covers his music, bio and art work. WWW.KEVINROTHMUSIC.COM. Kevin's voice is lyrical, and beautiful. His recordings and tours have earned him a large following around the world. His musical taste range from folk to jazz, to world. Kevin is one of those musicians who is a total artist. He spent several years living as an abstract painter, in San Diego CA giving very few concerts, and lived primarily off his record sales. Then he moved to Hollywood Florida, where he began to record and tour again. He explores music on the dulcimer ranging from original to Billie Holiday, Jacques Brel, Sting, and others. He also created a brand new instrument is used mostly for healing called a "Soul Zither" which can be seen on his web page WWW.KEVINROTHMUSIC.COM. Kevin's earlier work is part of The Folkways/Smithsonian Collection. He has also recorded for Sony, Random House, and Book of The Month Club. He also sang the theme to the hit tv show "Shining Time Station" on PBS and FOX Network. His reviews are wonderful from "Billboard", "New York Times", "Parents" and others. He has won over fourteen awards for his work. KEVIN ROTH/(The Sunflower Collection) is his latest work. Great stuff! 16

songs that range from blues, to folk, to pop/original. He is currently working on his new CD which focuses around 10 song and ten paintings, with short stories due to be issued in late 2003. For complete bio, cd, and art work see; WWW.KEVINROTHMUSIC.COM
