Smooth classic country love songs for today's country listener. 12 MP3 Songs COUNTRY: Country Pop, COUNTRY: Country Blues Details: Kitty Terry is simply a wonderful singer. She has sung on records with Stephen Stills, Dion Demucci, John Mellancamp, and The Bellamy Brothers. She has also performed live with Eric Clapton and friends on tour. Apart from the special guest appearances by Rick Finch from KC The Sunshine Band (bass on "Cool Breeze" and "Crazy 'bout You"), and Don Fedele (piano on "Crazy 'bout You"), George Terry (Eric Clapton Band) played all the other instruments as well as doing the production and engineering. Kitty wrote and recorded many songs with George and put together this collection of heartfelt love songs simply stated "With Love". These songs will take you back to a time when music was lyrical and melodic. Kitty sings like no one else and delivers the vocals with passion and heart, so lay back with your earphones on or just listen while you're getting something done. These songs are dedicated to you "With Love" from Kitty Terry. Along with her extensive musical talents, Kitty has also been a location manager and scout for many motion pictures and TV shows.
