Details: Mark Elliott Schimick, a young and rising mandolin player on the traditional and new-acoustic scenes, has already left a trail for other musicians and fans alike to follow. Since the dawn of the new millennium, he has amazed and inspired many as the mandolin player for Larry Keel. The name of his own band is Mark Schimick and the Model-T Time Machine. This project showcases a sound like no other, yet is instantly fun as it is rootsy. Mark may be one of very few performers equally steeped in blues and bluegrass alike, but he doesn't stop there! He has two CDs released on Little King Records and there will be many chances to catch Mark around the country with Larry Keel and Natural Bridge. This CD has many of the greatest bluegrass talent Western North Carolina has to offer: Don Lewis of Sons of Ralph, Billy Constable on guitar and banjo, Bill Cardine of the Biscuit Burners, Jason Flournoy of Larry Keel and Natural Bridge, and Merl Johnson on guitar.
