

Mp3 Nagwa - World: World Fusion

[DOWNLOAD HERE](#)

Nagwa creates original music of pure magic, derived from classical precision and Ethno-Jazz sensitivity. A passion for classical music, integrated with instruments and motifs from cultures across the world. 9 MP3 Songs WORLD: World Fusion, CLASSICAL: Contemporary Details: Nagwa is an intimate group of 3 highly established musicians from Israel. Their original music is a lyrical and captivating creation. All three are originally acclaimed classical musicians. They have performed as soloists with different orchestras, and won prestige prizes at numerous competitions. Each has developed his own unique style and approach through years of personal research and studies. Together, they integrate Ethno-Jazz sensitivity and sound with the precision and lucidity of their classical background. In 2004 they have traveled to India together, to deepen their study of Indian classical music and Indian singing. They spent 6 months in the holy city of Varanasi. Upon their return, they recorded the first CD, carrying the group's name Nagwa. A few of Israel's leading musicians were invited to take part as guests in the recordings. This CD is a new and refreshing breeze in the world music scene.
