Osvaldo Rodriguez, the voice of the Cubans in Miami and the best Cuban music that could be heard out of the country. 11 MP3 Songs LATIN: Cuban, LATIN: Bolero Details: Miami is the title of the last CD production made by the well known Cuban singer, Osvaldo Rodriguez. It is composed by a variety of songs, starting from the slow ballads with a touch of rock, very common in his style; boleros, son, cha-cha-cha, the newly and popular bachata, and last but not least the spicy rhythm of the Cuban guaracha, represented in this album by the main song, Miami, and Guajiro Cepillao. Osvaldo Rodriguez had a long career in his native country, where he had a lot of hits in the Top Ten, having sometimes three hits at the same time in such Top Ten list. Osvaldo Rodriguez also participated in various festivals where he won numerous prizes, like in the World Popular Song Festival Yamaha in Japan, Sopot Festival in Poland, Soshi in Russia, and Rostock in Germany. He also had wonderful presentations in Via del Mar Festival in Chile, and the International Festival OTI in Spain. All these mentioned presentations helped the world to know his music and let him show his work to several countries. In this new production, with a touch of Cuban humor, Osvaldo tells us about his experiences in Miami, and in addition he admires love and family which are the main topics of the principal songs in this album. His voice as clear and powerful as it was years before, takes us from one song to the next one, from one genre to another, from one story to the other; so we could enjoy the talent of this great artist who writes, makes the music, sings, and produces all of his work. La ms reciente produccion discogrifica del conocido cantante cubano Osvaldo Rodriguez lleva por ttulo Miami. La componen un arcoris de canciones que van desde las baladas lentas, cautivadoras e impregnadas de rock, tpicas del autor; pasando por el bolero, el son, el chachach y la novedosa bachata, hasta llegar al ritmo alegre y frentico de la guaracha cubana, entre las cuales figuran la cancin tema del disco, Miami y el xito radial Guajiro Cepillao. Osvaldo Rodriguez es un artista de una

larga trayectoria en su pas de origen, donde sus xitos alcanzaron Las 10 Ms Escuchadas en reiteradas ocasiones, llegando a ocupar hasta tres posiciones a la vez dentro de dicha seleccin de diez. Los premios alcanzados por Osvaldo Rodrguez en el Festival Mundial de la Cancin Yamaha en Japon y los Festivales de Sopot en Polonia, Soshi en Rusia y Rostock en Alemania, as como sus brillantes actuaciones en el Festival de Via del Mar en Chile y el Festival Internacional OTI, le valieron el reconocimiento mundial y le abrieron las puertas para llevar su arte a decenas de pases. En esta nueva produccin, armado con su distintiva dosis de humor cubano, Osvaldo nos cuenta sus experiencias en Miami, mientras le rinde tributo al amor y la familia que son los temas principales de las canciones de este disco. Su voz, tan clara, potente y afinada como aos atrs, nos lleva de un nmero a otro, de un gnero a otro, de una historia a otra para dejarnos al final el placer de haber disfrutado del talento de este gran artista que compone, orquesta, canta y produce todas sus obras
