

## Mp3 Rick Seaton - Such Dreams

[DOWNLOAD HERE](#)

Original solo piano music. Artwork for the ears - Each track inhabits its own distinct time and place, whether it be the icy Colorado winter, the blue waters of the Greek isles, a rocky, desolate planet, or a baby's crib. Beautiful piano music. 10 MP3 Songs NEW AGE: New Age, CLASSICAL: New Age Details: THIS CD is about dreams - hopes for the future, echoes of the past, things dreamt both consciously and unconsciously. For me, each track inhabits its own distinct time and place, whether it be the icy Colorado winter, the blue waters of the Greek isles, a rocky, desolate planet, or a babys crib. I hope this music will nourish your spirit and inspire new dreams, new journeys, new courage. Thanks for listening, Rick.

Artwork for the ears - each piece truly illustrates a picturesque place in time or memories of days gone by, evoking unexpected emotions for the listener. Ricks music is truly inspiring, thought provoking lyrical music...without words. Please email Rick with your take on each track! Rick will be adding track notes soon both here and on his website.
