These original compositions are a mixture of smooth jazz and blues with a hint of big band that will touch and relax your soul one minute and have you moving your feet the next. 11 MP3 Songs JAZZ: Smooth Jazz, BLUES: Jazzy Blues Details: Ronnie Hibdon has been a professional musician for over 30 years. Hailing from Kansas City, Mo., Ronnie started playing solo in coffee houses in southern California in the early 70's. Playing everything from folk, soft rock, jazz and bluegrass. Ronnie has always drawn a big crowd and captivated the room! Ronnie is an accomplished musician with many instruments including the guitar, bass, piano, banjo, harmonica, mandolin, steel guitar, and synths to name a few. If it has strings or keys, Ronnie can probably play it! Indeed, most of the instruments on his first CD.... "Fireflies" are performed by Ronnie with the exception of the horns, which are played by the soulful artist Frank Henry. Ronnie currently lives in southern California and spends most of his time recording at his Mo' Mo' Studios in Bakersfield, California. "I was very inspired by the great jazz artists like Wes Montgomery, Bob James, Earl Klugh, John Handy, and Ray Charles to name a very few. From a soft rock perspective, it was James Taylor, Gordon Lightfoot, and Kenny Rankin and others. So, you may hear their influences in my songs". Ronnie is currently working to bring together "the band" for public appearances. You can contact Ronnie by sending an e-mail to: [pattyandron1@aol.com](mailto:pattyandron1@aol.com)
