

Mp3 Sader - To The Death Of Valentine

[DOWNLOAD HERE](#)

Perfect CD for Any Apocalyptic Party, Let us rejoice in Agony. Song for those with broken hearts, and would not have it any other way. 7 MP3 Songs ELECTRONIC: Industrial, ROCK: Goth Details: Sader comes back in full force, using sounds from nature itself and mixing it with synths, and drum machines making a sound to be heard. This album is a collection of art that all themes around love and hate. Sader manages to bring sounds of soothing ness and slam them right into the abyss. This CD is perfect for any one that knows that sorrow is nothing to shun, but to embrace. Currently Sader is in the Studio working on a Picture book that will reflect beauty with death. They are also in the studio recording their new album set to be released on Oct 13 2006. The name of the album is still not released.
