

# Mp3 The Beth Custer Ensemble - Respect As A Religion

[DOWNLOAD HERE](#)

A funky disk of political tirades from the queen of Bay Area alt.; from twisted rock to funky grooves to eerie ballads, this disk features a very solid roster of the finest of today 's Bay Area musicians. 12 MP3 Songs ROCK: Americana, URBAN/R&B: Funk Details: A full length funky disk of political tirades such as Empire of the United States, rollicking, hip-slapping songs like High Sense of Adventure and Swim!, narrative twisters like General of Goddess and Breakneck, this album features Custer's latest songs and some gems from David James. The ensemble is a veritable crme de la crme of Bay Area musicians including long time collaborator Jan Jackson on drums, Sila, Coup and Spearhead guitarist David James, iconic pianist Graham Connah, three bassists Tennessee transplant Scott Alexander, the highly sought after Devin Hoff, and whiz kid Andrew Higgins; Charming Hostess Marika Hughes on hot 'cello licks, and a horn section to die for in Ralph Carney, Ben Goldberg and Marty Wehner. The incredibly talented trombonist for Santana and long time Custer collaborator Jeff Cressman recorded, mixed, and mastered the disk.
